

A vibrant, stylized illustration of a tropical scene. At the top, a large, bright yellow sun is partially obscured by soft, white, rounded clouds. Below the sky, a light blue band represents the ocean. The foreground features rolling green hills. Several palm trees with green fronds and brown trunks are scattered across the landscape. In the bottom left corner, the front of a boat is visible, showing a white hull and a grey deck with a white railing. The overall style is clean and modern, using a soft color palette.

## **FUNCATION REFUND POLICY**

### **If a customer cancels a Funcation trip:**

They are not entitled to a refund of any kind. Throughout the payment plan period leading up to our Funcation trips payments made by customers are used to pay deposits for their airfare, accommodation, tours and transportation all of which are non-refundable.

Therefore, we have a no-refund policy should a customer cancel their booking at any point before the trip date. For the same reasons mentioned above, payments made also cannot be transferred to another activity that Road Trip TT hosts or any other Funcation trip.

### **If Road Trip TT cancels a Funcation trip for any reason:**

A refund will be given to customers. This refund however will be subject to the terms and conditions of the travel suppliers involved including airlines, accommodations, tours and transportation. As such, this refund can be in the form of a credit note the duration of which is based on the policy of the travel supplier or cash.

The refund can also be partial or in full to the value paid by customers at the time of cancellation, again based on the terms and conditions of the travel suppliers.

The refund would also be subject to an administrative fee from Road Trip TT which would be made up of non-refundable expenses already incurred by the company as it relates to planning and coordinating the travel trip including wire transfer fees, credit card fees, administrative and other expenses.
